Sir,

Subject:- Acquisition of lands of Nos 203 and
204, required for cremation ground in Sringeri
Town, Sringeri Jahagir.

+++++

Adverting to your Memo No L 9238 dated 10-5-1938 forwarding copy of
letter No L 9237/M 20-37-5 dated 10-5-1938 addressed to the Compiler,
Mysore Gazette, Bangalore re- the publication of the preliminary Notifica-
tion in the Mysore Gazette, I have the honour to state that the Officer
in charge of Sringeri Jahagir who was requested to hear objections as per
Rules, etc , has reported that an objection to the acquisition of lands
in question was received from some of the residents of Sringeri town to
the effect that the land proposed to be acquired is very close to the -
dwelling houses, that it will be a source of great nuisance and that if
cremations are allowed to take place in the land proposed now, there will
be foul smell causing the locality to become unhealthy. He has further
reported that the place selected is adjoining the cremation ground now in
use and when the present cremation ground has not been harmful for the
past 25 years, it is not clear how the land now selected will prejudice
the health of the towns people, hence that the objection is untenable
that the spot was inspected by the Deputy Commissioner who opined that
the land is suitable for the purpose and recommended to the acquisition
of lands in question.

2. Thereupon the Officer in charge of Sringeri Jahagir was requested
to report whether a better place is not available for the purpose, as the
place selected now being by the road side may not be so suitable. He has
reported that there is no other place available for the purpose and that
the recommendation already made may kindly be sanctioned. The previous
Deputy Commissioner has agreed with the opinion of the Officer in charge
of Sringeri Jahagir.

3 It is reported that as there are some variations between the

the preliminary Notifications already published in the Mysore Gazette and the final notifications the following corrections are therefore got rectified and entered in the final notifications.

(1) The name of the khatedar which was mentioned as Majama Mallana Thamma in the Preliminary Notification is mentioned as Pullagiri - Greenivasa Jetty in the final Notification after verifying with the entries made in the Record of Rights.

(ii) The land to be acquired in S.No.203 which was entered as 1 acre and 2 guntas in the preliminary Notification is entered as 1 acre 4 guntas in the final notifications as the entire area of the S.No. is required for the purpose.

(iii) The Eastern boundary of the land bearing S.No.203 which was noted as S.No.201 in the Preliminary Notification is got corrected as No.202 in the final notification as the same is verified with the village accounts and village map and found correct.

(iv) The S.No.204 which was mentioned as wet land in the preliminary Notification is entered as Kharab granted for wet cultivation under - Darakhast Rules in the final Notification as the same verified with the village pahani accounts.

4. The Municipal Council of Sringeri have resolved at their meeting held on 29-6-1936 that the cost of acquisition should be met out of the Municipal funds, if the Mutt does not bear the same. After subsequent correspondence, a sum of Rs 225/- being the cost of land to be acquired towards payment of compensation, has been credited by the Municipality to G.No.97/15-2-1938 to the Sringeri Jahagir Treasury, as the Mutt has agreed to waive 25 years' assessment due to the same on the land in question, vide letter No.Dls.120/37-38 dated 17-9-1937.

5. Under the above circumstances, I request that the acquisition of lands required for the purpose may kindly be sanctioned, and that the 25 years' assessment due on the lands required may also be waived, as the Mutt has agreed to waive the same. The enclosed Final declaration statements under Section 6 of the L.A.A. in duplicate both in English and Kannada may kindly be caused to be published in the Gazette and 20 spare copies of each of the Notifications may be ordered to be sent to this office for reference.

6. The Assistant Commissioner in charge of Sringeri Jahagir may be authorised to perform the functions of the Deputy Commissioner

Deputy Commissioner under ~~Section~~ Sections 7 and 3 (c) of the
L A A. for the acquisition of the land.

7 The entire file of records ending with Memo No O C.
52/38-39 dated 6th April, 1939 from the Officer in charge of
Sringeri Janaglr, is herewith submitted for reference and kind
return.

I have the honour to be,

sir,

Your most obedient servant,

E. S. Anand
Deputy Commissioner,
Kadur District.
